Miami International Airport's automated passport control (APC) kiosks are now available to travelers from the 39 countries participating in the U.S. Department of State's Visa Waiver Program (VWP). APC technology allows travelers arriving at MIA from abroad to have their passports processed in less than two minutes via a self-service APC kiosk instead of waiting in line for a U.S. Customs and Border Protection (CBP) officer. MIA is one of only a few U.S. airports with expedited processing for pre-approved travelers. There are two ways to speed things up: Global Entry and TSA Pre-Check. Visit TSA.gov to get in MIA's fast lane.

Business Development Department

Home of the New World Symphony, a Prestigious Fellowship Program

The New World Center is a unique laboratory for generating new ideas about the way classical music is taught, presented and experienced. It is an intellectually driven, technologically advanced and architecturally significant immersive environment in which the Fellows' rigorous experiential curriculum and guest meetings, summits and special events thrive.

In the heart of vibrant South Beach, the New World Center (NWC) is a modern keystone amongst deco-era architecture. The breathtaking venue designed by Pritzker Prize-winning architect Frank Gehry is located one block south of the Miami Beach Convention Center and The Fillmore at the Jackie Gleason Theater. Guests are able to walk over from world-famous Lincoln Road Mall, an open-air shopping and dining district, or one of the many major and boutique hotels.

ENVISION YOUR EVENT

Private Receptions, Dinners, Weddings

The New World Center's modern, open design brings natural light and movement into each space, staying true to Frank Gehry's concept – to bring the outside in. The sun, surf, and sky flow through the facility as if it rose from the beach itself, providing the perfect palette upon which to overlay a reception, dinner or wedding.

Corporate & Small Business Meetings

Environment is important. Whether a private meeting to discuss the present state and future direction of a company, a "business casual" gathering over drinks, or a global meeting of senior leadership, the New World Center offers spaces of varying capacity with views, style and full audiovisual services.

Public Relations Events

Few offices are equipped to make presentations to large audiences. When a company is looking for an auditorium that can hold members of the press, the business community, and government representatives, the New World Center's performance hall is ideal. Spaces can be applied to a simple press conference or a "first look" at the newest product or service.

Conferences and Conventions

With full audiovisual support, expert staff, multiple breakout spaces and the ability to scale the facility to accommodate attendance, the New World Center is a unique, high-tech location for your conference, summit, or trade show. Given its convenient proximity to the Miami Beach Convention Center, many businesses opt to rent NWC as an adjunct location for press conferences, media briefings, private events or after-parties and music enrichment experiences. Your special guests and VIPs who require off-site meeting rooms can easily be accommodated.

Fashion and Runway Events

The bold architecture of Frank Gehry is the perfect canvas for unveiling the latest looks in fashion. Big reveals of Spring and Fall collections, and pop-up concept stores for exclusive sales are at home in the stunning, modern design of the New World Center.

Catering

The New World Center is proud to enjoy exclusive food and beverage support from Thierry Isambert Culinary and Event Design, raising the bar in the "art of culinary" in South Florida for over 25 years. Thierry Isambert is recognized for creative international, kosher and personal palate-driven menus ensconced in exquisite tableware and served by highly professional staff.

Miami Beach

MIAMI BEACH

The Art Deco Historic District is one of Miami Beach’s most popular attractions. You can explore it on guided walking tours offered by the Miami Design Preservation League (MDPL).

Many of the striking buildings in Miami Beach house fascinating museums, including The Bass, Miami Beach’s contemporary art museum. A dramatic Spanish Baroque building is home to The Wolfsonian — FIU, a museum exploring advances made from the 1850s to the 1950s. The Jewish Museum of Florida — FIU is located in two beautifully restored synagogues. The Holocaust Memorial Miami Beach is identified by the stunning image of a giant sculpted hand reaching toward the skies. Miami Beach Botanical Garden is a peaceful urban oasis.

The sparkling seashore lines Miami Beach for miles. North Beach Oceanside Park offers wide open spaces and no hotel towers to share the view. Lummus Park provides the palm trees and sand dunes that connect the sparkling blue Atlantic with pastel-colored Ocean Drive.

Fashionistas looking for cool retail head directly to South Beach’s shopping streets: Lincoln Road, Collins Avenue, Washington Avenue and Ocean Drive. European-flavored Española Way offers laid-back cafes and charming stores.

The curtain is rising on concerts, comedy and theater at a number of venues, including the Fillmore Miami Beach at the Jackie Gleason Theater, the Colony Theatre, the New World Center and the Faena Theater. The North Beach Bandshell is a unique concert venue near the ocean.

COCONUT GROVE

A little bohemian, a little Bahamian and altogether fascinating, “The Grove” is a place where people can stroll the streets and sample eclectic shopping and cuisine at a variety of shops and restaurants. History and heritage still echo through The Grove, as you discover when strolling beside the bay at Peacock Park, visiting The Barnacle or exploring the splendid Vizcaya Museum and Gardens.

Coconut Grove

COCONUT GROVE VILLAGE WEST

Touring this enclave is an enriching experience as you learn about African-American and Bahamian settlers who arrived in the 1870s. Take a stroll and explore the area’s first Black church, a library, a cemetery and a number of historical homes.

Coconut Grove Village West

CORAL GABLES

In addition to its quiet, tree-shaded streets and lovely homes, Coral Gables offers a host of attractions. Nature's beauty and man's ingenuity meet at Venetian Pool, described as "the world's most beautiful swimming hole." Explore the world of exotic plants at Fairchild Tropical Botanic Garden.

Tee off at the Granada Golf Course and The Biltmore Golf Course. The Coral Gables Country Club is a beautiful venue constructed in 1924. Miracle Mile and the surrounding streets of downtown Coral Gables are home to shops and restaurants.

Bayfront Park is a lush 32-acre site on Biscayne Bay, while Maurice A. Ferré Park (Museum Park) connects Pérez Art Museum Miami (PAMM) and the Phillip and Patricia Frost Museum of Science. The Olympia Theater came of age in the Roaring Twenties, and the Adrienne Arsht Center for the Performing Arts of Miami-Dade County is home to Florida Grand Opera, the Miami City Ballet and the New World Symphony.

Holding court at its massive bayfront arena, the NBA's Miami HEAT play to sellout crowds. The scenic MacArthur Causeway connecting to Miami Beach is home to Jungle Island and Miami Children's Museum.

South of the Miami River, the booming Brickell district is home to a wide array of high-rise office towers, residential buildings, restaurants and bars. Here you'll find the laid-back Mary Brickell Village and the stunning Brickell City Centre.

SOUTH DADE

South Dade offers new worlds of discovery, agriculture and wilderness. Homestead is the gateway to two natural wonders: Everglades National Park and Biscayne National Park. It is also the home of Homestead Miami Speedway.

Pinecrest is home to Pinecrest Gardens, listed on the National Register of Historic Places. Zoo Miami is consistently ranked among the country's top 10 zoos, while Monkey Jungle provides a habitat for 300 gibbons, guenons, spider monkeys, orangutans and other playful primates. The Deering Estate is a 444-acre environmental, archaeological and historical preserve

along Biscayne Bay. Built between 1923 and 1951, Coral Castle Museum in Homestead is one of Greater Miami's more intriguing sites, world renowned for its mysteries of love and science.

History buffs can take a walking tour of the Homestead Historic Downtown District. In Florida City, the Florida Pioneer Museum focuses on early 20th-century settlers. Goulds and Perrine flourished during the early days of Henry Flagler's Florida East Coast Railway. Today, these areas are ripe for exploration. To get a glimpse into South Dade's pioneering history, visit Cauley Square Historic Railroad Village.

Originally conceived as a community for African-American veterans returning home from World War II and facing the difficulty of finding quality affordable housing, Richmond Heights has grown into a thriving community with a rich and proud history.

The South Miami-Dade Cultural Arts Center in Cutler Bay hosts concerts and community outreach programs, and provides rehearsal space for performers. Seminole Theatre in Homestead has become a go-to venue for entertainment.

Bal Harbour

BAL HARBOUR

This exclusive beach town at the northern tip of Miami Beach is a pedestrian-friendly community of beautiful homes, world-class resorts and shops.

Upscale on a scale of its own, Bal Harbour Shops keeps the village feel going with open-air walkways, fountains and palms leading the way to a collection of shops that represent the cr me de la cr me of the retail universe.

Surfside

SURFSIDE

Long walks on the beach were practically invented in this waterfront haven just north of Miami Beach. The Surfside Community Center is home to a recreation pool with lap lanes, plunge pool and slide, a children's activity pool, Jacuzzi and walk-up cafe, tennis facility, beachside path and a dog park.

Aventura

AVENTURA

The striking residential towers of Aventura rise above flowing waterways, lush parks and golf courses. Aventura Mall is a destination unto itself. It recently debuted a new wing with upscale shops and a 93-foot-long slide for kids and adults alike. At the JW Marriott Miami Turnberry Resort & Spa, the Tidal Cove Waterpark offers thrills for the whole family. The heart of the city's cultural rhythm is the Aventura Arts & Cultural Center, an elegant waterfront venue.

SUNNY ISLES BEACH

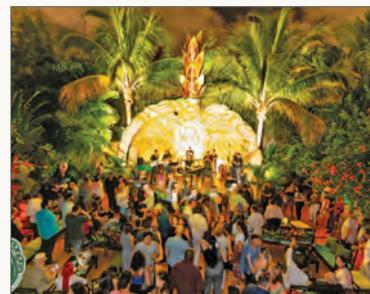

Set on the northern end of Miami Beach, Sunny Isles Beach is a seaside enclave where luxury hotel towers overlook its golden shoreline. It is home to lush parks, like Heritage Park, which hosts the Sunny Isles Beach Jazz Fest every fall. Spend a "spa" day at one of the area's elegant resorts and enjoy an evening of world-class dining.

LITTLE HAVANA

Declared a national treasure by the National Trust for Historic Preservation, this slice of the motherland created by Cuban exiles in the 1960s hums with perpetual activity, especially along Southwest 8th Street (Calle Ocho). Cuban retirees gather to play dominoes at Mximo Gmez Park, known as Domino Park. Many cigar factories and shops feature authentic rolling rooms. Little Havana also is home to unique shops selling items such as traditional guayabera shirts. Catch live music at Ball & Chain, or see a Miami Marlins game at the state-of-the art Marlins Park.

Little Havana

Little Haiti

LITTLE HAITI

This community is a pillar of Caribbean history, music and art, with the Little Haiti Cultural Complex (LHCC) at the forefront of its cultural programming. The streets of Little Haiti bustle with family-owned businesses, music stores, bookshops, clothing boutiques and authentic eateries. The Caribbean Marketplace is designed as a replica of the Iron Market in Port-au-Prince. It's the place to shop for fine art, jewelry, handmade souvenirs and collectibles and to enjoy live entertainment and island cuisine.

Historic Overtown

HISTORIC OVERTOWN

Adjacent to Downtown Miami, Overtown was once a thriving African-American community of locally owned businesses. Anchoring the district, the Lyric Theater is listed on the National Register of Historic Places and showcases local talent. The Black Archives leads tours of Historic Overtown. Points of interest include the Black Police Precinct and Courthouse Museum. The latest addition to the area is the Overtown Performing Arts Center.

LIBERTY CITY

This largely African-American community in Greater Miami's northwest corner once thrived, before falling on hard times from the late 1960s to the early 1980s. Determined local leaders' efforts are paying off with increased commercial development and area beautification, including Liberty City's famed outdoor murals and the iconic Liberty Square. Liberty City is home to the Joseph Caleb Auditorium, the African Heritage Cultural Arts Center and the Sandrell Rivers Theater.

Liberty City

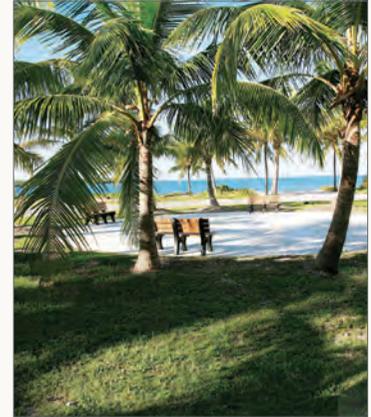

KEY BISCAIYNE + VIRGINIA KEY

On Key Biscayne, Crandon Park offers two miles of beach, renowned golf and tennis facilities, as well as a full-service

marina. At the island's southern tip, Bill Baggs Cape Florida State Park is home to a lighthouse built in 1825. The 95-foot whitewashed red-brick tower remains the oldest structure standing in Greater Miami.

Historic Virginia Key Beach Park

During segregation, Virginia Key was one of the only places where Black people could access the beach. It has a rich cultural history and played a significant role in the Civil Rights movement of South Florida. Now, Historic Virginia Key Beach Park is listed on the National Register of Historic Places and offers a host of facilities for all to enjoy.

In Virginia Key, you will also find a pioneer among marine parks: Miami Seaquarium. It covers 38 acres, with sea turtles, manatees, wild birds and fish of every size and color. Dolphins, sea lions and whales perform in shows under the landmark Golden Dome, designed by acclaimed architect Buckminster Fuller.

AIRPORT AREA

Miami International Airport (MIA) has been blazing the trail for art in airports since the 1970s with the Art in Public Places initiative. It continues to have one of the most expansive and compelling art collections of any major international airport.

When the outdoors beckon, nearby Grapeland Water Park is a wonderful place to enjoy some fun. With 13 acres of waterslides,

lazy rivers and pools, there's plenty of splash-splashing to be done here.

The airport is centrally located and within easy reach of several major malls. If you still haven't finished shopping before your flight, not to worry — the shops at Miami International Airport include jewelers, bookstores, art galleries and duty-free merchandise retailers.

HIALEAH

Hialeah Park Race Track is one of the world's most beautiful racing courses. Visit Monument Park, also known as Cuban Heritage Park, or head to picturesque Entrance Plaza Park. Amelia Earhart Park is home to the Miami Watersports Complex, offering wake boarding, wake-surfing, waterskiing and more.

The Leah Arts District is a slice of the neighborhood carved out for muralists and other artists to live and work, while the Garden of the Arts is a park with paved walking trails leading through murals and sculptures.

Hialeah

MIAMI SPRINGS

Located "in the heart of it all," Miami Springs is adjacent to Miami International Airport and offers visitors a glimpse into Miami's peaceful side, with a wonderful small-town flavor. The Curtiss Mansion, which belonged to the city's founder, is one of the city's most revered representations of Pueblo Revival architectural style. The city is home to the historic Miami Springs Golf and Country Club.

MIAMI LAKES

Meticulously planned Miami Lakes is more hometown than metropolis. As the name suggests, this area is full of lakes — 23 to be exact — giving many homes lakefront views. A traditional Main Street anchors curvy residential streets, tasteful corporate parks and green spaces. Enjoy fine dining and shopping in the quaint ambience created by old-fashioned lamps, colorful striped awnings and brick sidewalks.

NORTH MIAMI BEACH

North Miami Beach is home to the oldest building in the Western Hemisphere. Originally constructed in the 1100s, the Monastery of St. Bernard de Clairvaux was disassembled and transported here from Spain by publishing magnate William Randolph Hearst, then reassembled stone by stone, renamed the Ancient Spanish Monastery and opened to the public in nearby North Miami Beach. On nearby Biscayne Bay, you'll find Oleta River State Park, which is Florida's largest urban park.

SHOW YOUR BADGE PROGRAM

The Greater Miami Convention & Visitors Bureau is working in partnership with Miami Beach Business Improvement Districts and the Miami Beach Chamber of Commerce on a "Show your Badge" special offer program. Attendees snap a picture of their badge and present it to participating restaurants and merchants on Lincoln Road, Ocean Drive and area attractions to take advantage of the added values. This program is promoted on the client's conference website and at the City Concierge Desk located in the reimagined Miami Beach Convention Center.

WELCOME TO MIAMI BEACH

The City of Miami Beach wants to do everything possible to make your visit a pleasant experience. If you enjoyed your stay, tell everyone. If you did not, please call the Tourist Hotline at 305/673-7400, or write to 1700 Convention Center Drive, Miami Beach, FL 33139. Include your name, address and phone number. Miami Beach wants you to remember us as the city that "will go the extra mile."

TOLL ROADS

Florida's Turnpike and portions of some highways in Miami are toll roads. Tolls are automated and there is no need to stop at a toll booth. If you are renting a car, ask your car rental agency about options for paying tolls. Some rental cars are equipped with a SunPass, PlatePass® or Pass24® to pay tolls electronically. If your car does not have one of these devices, you can use Toll-By-Plate. Just drive through and the tolls will be added to your final bill. An administrative fee will be added.

TIPS AND INFORMATION FOR USING THE I-95 EXPRESS LANES

The Express Lanes are for long-distance trips ONLY. The toll varies depending on the current level of I-95 congestion, and is clearly posted overhead. Tolls are collected electronically, so if you want to use 95 Express, make sure you have a SunPass, PlatePass® or Pass24®. If you are in a registered hybrid vehicle, vanpool or 3+ carpool, or if you drive a motorcycle, you can use 95 Express toll-free.

NORTHBOUND

- Drivers may enter the lanes from eastbound State Road 112, northbound I-95 just south of SR 112 or from the Northwest 10th Avenue ramps to I-95.
- There is no exit for approximately seven miles until just north of Northwest 151st Street.
- Drivers may enter again just south of Miami Gardens Drive/186th Street.
- There is no exit for approximately two miles until Ives Dairy Road/203rd Street.

SOUTHBOUND

- Drivers may enter the lane at Miami Gardens Drive/186th Street.
- There is no exit for approximately two miles to S.R. 826/Palmetto Expressway.
- Drivers may enter the lane again at 151st Street.
- There is no exit for approximately five miles to S.R. 836/Dolphin Expressway.

ONCE IN THE LANES...

- Do not stop in the express lanes.
 - Do not attempt to exit early by driving around or between the plastic poles.
- Visit 95express.com or call 877/959-3368 for more information.
